

# Early Childhood Education Diploma Program - North Bay, Ontario

**(Alternative Model of Delivery - Summer Blocks)**

**Deadline to Pre-register for this program is March 25, 2012**

**Start Date: July 2, 2012**

**This is a flexible delivery option geared to Indigenous students.** The program will help you gain the essential skills needed to start a rewarding and fulfilling career working with children. The block delivery will take place at Canadore College in North Bay with on-site residence accommodations available. Culturally-based content will be infused throughout the curriculum. Practical experience will be achieved in work placement opportunities in the communities. Tutor support will be available throughout the program. Two additional courses must be completed online per year to fulfill the diploma requirements of the program.
