

BRIEFING NOTE

Re Community Approval Law, 2nd Reading
Date January 8, 2020
To Chief and Council
From Laura Mayer, Chi-Naakinagewin Mgr

Issue:

The Community Approval Law was enacted 01/09/2019. Recently, the DOO has noted that the dates are not in line with normal ratification procedures, but rather with the Custom Election Code which has a much longer lead time. This is notice for Council to amendments to the Community Approval Law.

Considerations:

Section V
Subsection 4: 52 days to 35 days
Subsection 8: 48 days to 30 days
Subsection 14: 55 days to 35 days

Recommendations:

- Let this briefing note serve as the 2nd reading for the amending the Community Protection Law.
- There will be a community meeting before the 3rd and final approval of these amendments.
