agreement is included in Appendix 5.

For tenants on Ontario Works or ODSP, arrangements must be made for direct payment to MFN. Band employees can also make arrangements for wage deduction.

Rent payments can be made by certified cheque, money order or cash delivered to the Band office, during office hours.

A Band member wishing to purchase a Band owned rental unit may have the option to purchase the unit that they are currently renting, provided they have good payment history, have lived in the home for at least five (5) years and have no housing arrears. Units not eligible for outright purchase are units under the CMHC Section 95 rental program.

The purchase price shall be set by Band Council. An independent qualified appraiser may provide an

opinion on the value the unit. Once the purchase price is agreed to by the purchasing member, a purchase agreement shall be signed and paid in full. The Homeowner shall then be responsible for paying fire insurance to MFN with MFN being listed as the loss payee. ***In addition, the band member will be responsible for all maintenance on the unit once a Certificate of Ownership is granted.***

For single tenants, or tenants who live alone, the Housing Department will wait ten (10) days from the date of death to consult with family members. After the ten (10) day period, the family, friends or executor(rix) will be required to make the necessary arrangements to have access to the rental unit and remove all the personal belongings within twenty (20) days from the date the tenant passed away.

4.6 Marital Breakdown

Defaulting on rental payments will result in the consequences set out here, and in the Rental Agreement.

Default policies will be applied immediately after one payment has been missed, as follows:

- Rent payments due on the first working day of the month. A Default Notice (Appendix 6) will be sent to the tenant ten (10) days after rent is due. A tenant will be reminded to pay the outstanding rent in full or make an appointment with the Housing Department to discuss repayment of the arrears. The Default Notice will be taped to the unit's front door, and is effective on the date so delivered.
- If 5 days after the default notice is taped to the front door of the unit payment has been not been received, the tenant must attend a meeting with the Housing Department to discuss the situation and to make arrangements for the payment of arrears. Both the tenant and the Housing Department must agree to a Rental Arrears Agreement (Appendix 9) in writing. The Rental Arrears Agreement will include the amount of each repayment installment and the date that payment is due. If the tenant fails to honour the Arrears Agreement, the tenant shall be evicted. The Housing Department will also make every effort to contact the tenant by phone to discuss the arrears situation. The First Notice shall inform the tenant of this meeting, and the date and time it will be held.
- If the tenant refuses or fails to attend the scheduled meeting with the Housing Department, or refuses to enter into a Rental Recovery Agreement, then an eviction notice (Appendix 8), will be sent advising the tenant that they have 5 working days to make full payment of the arrears or to vacate the unit.
- If the tenant fails to meet with the Housing Department or breaches their Rental Recovery Agreement, then an Eviction Notice (Appendix 8) will be sent advising the tenant that they have 24 hours to vacate the unit.
- Every reasonable effort will be made to try to avoid an eviction.
- If a tenant receives three Default Notices within a fiscal year, the Rental Agreement will be revoked and an eviction notice will be issued.

4.8 Eviction/Termination of the Rental Agreement

Termination of a Rental Agreement due to breach/default of the Housing Policy or the Rental Agreement will result in eviction of the tenant(s) from the unit. Eviction action will be taken as a last resort in cases where the tenant(s) have failed to resolve the breach of the Rental Agreement. Prior to taking eviction action, the Housing Department will ensure that tenant counseling has been attempted to reinforce the consequences of failure to resolve the breach of the Rental Agreement.

If the tenant does not vacate the unit at the required date defined in the termination of rental notice, the Housing Department may obtain the services of the police to accompany Band employee.

Should a tenant leave belongings after the unit has been evicted or has vacated the unit, they will be required to contact Housing in order to enter the unit and remove them. Tenants will have ten (10) days after they have been evicted or they have vacated to retrieve and remove all belongings, after which the Housing Department will discard them.

Where the reason for evictions is rental arrears, the tenant will also be advised that in order to qualify for future housing, the rental arrears must be paid in full.

Any person(s) occupying a house without the permission of the Housing Department will be evicted immediately.

All Tenants will be required to notify Housing in writing, 30 days prior to moving. If a Tenant moves out of a house without informing the Housing Department, the house will be deemed abandoned and re-assigned by the Housing Committee.

Tenant complaints must be provided in writing and submitted to the Housing Department. Complaints will be kept confidential, to the extent possible under the law. We reserve the right to use any written complaints to defend the First Nation from any allegations of misconduct of any sort.

Tenants will be evicted for the following reasons:

2. Causing willful or negligent damage to the building, mechanical and electrical systems in the building, supplied appliances, or the property;
3. Fails to abide by the terms of the Rental Agreement;

- MFN, through the Housing Department shall maintain the premises in a reasonable state of repair, carry out preventative maintenance to extend the useful life of the unit, and comply with health and safety standards.
- The Housing Department shall carry out major repairs or repairs arising from normal wear and tear unless, in the sole discretion of the Housing Department, the cost of the repairs compared to the value of the unit supports demolition of the unit. Major repairs and replacements (subject to availability of funding) are generally defined as follows:
 - Roof repairs,
 - Plumbing repairs,
 - Electrical work,
 - Major structural work,
 - Electrical fixture replacement,
 - Repairing fridge and stove (as long as they have not been damaged),

This will be determined after an inspection by the Housing Manager and a qualified Housing Inspector. If tenant cannot find suitable accommodation, and only as a last resort Housing might pay for a temporary residence up to a maximum of five (5) days.
- The Housing Department will keep a record of all maintenance and repairs carried out on a rental unit including reason for the repairs, repair items and costs.

Tenant Responsibilities

- Tenants are responsible for the general maintenance, cleaning, repairs and replacements outlined here and in the Rental Agreement, and for the cost of all repairs required due to negligence, vandalism, tenant damage or damage by their guests. A damage report (Appendix 10) will be completed by the Housing Department. A schedule of specific tenant responsibilities is included in the rental agreement.
- If major damage (over \$1,000) caused by tenant abuse is identified by Housing Staff, an estimate of the repairs will be provided by the Housing Department. The tenant will have 30 days to make arrangements with Housing to pay for repairs carried out by the Housing Department. Failure to pay will result in eviction.
- Tenants must immediately report to the Housing Department of any accident, break or defect in water, heating or electrical systems, or in any part of the home and its' equipment in general. A failure to report in a timely manner (but in no case more than 7 days after the damage is discovered), will be considered to be a breach of tenant responsibilities.

- Tenants must get permission of the Housing Department to make any alterations, additions or improvements to the unit (including sheds and garages). A qualified inspector shall review any such alterations, additions, or improvements to ensure it meets applicable codes. In situations where permission has not been received, it may be the responsibility of the Tenant to return the unit to its original condition and at no cost to the First Nation. All improvements and fixtures, even where permission has been given by the Housing Department, shall immediately become the property of the First Nation, and Tenants shall not be reimbursed in any way for any improvements or fixtures they have completed at their own expense.
- Tenants are required to keep their unit and surrounding property area clean, free of garbage and junked cars. Prior to taking eviction action, the Housing Department will ensure that tenant counseling has been attempted to reinforce the consequences of failure to resolve the breach of the Rent to Own Agreement.

If the tenant does not vacate the unit at the required date defined in the termination of rental notice, the Housing Department may obtain the services of the police to accompany Band employee.

Should a tenant leave belongings after the unit has been vacated, they will be required to contact Housing in order to enter the unit and remove them. Tenants will have ten (10) days after the unit has been vacated to remove all belongings, after which Housing will discard them.
