

Mental Health Resources

January 6, 2022

The following are some of the resources available for people in need of mental health and addictions services:

Anti-human Trafficking Services and Supports - Find organizations that provide a range of wrap-around services to help trafficking survivors rebuild their lives and regain independence, including crisis intervention, trauma therapy, counselling and skills training. Services also include dedicated supports for children and youth and survivor-led programming. Indigenous survivors can access supports designed by and for Indigenous people, including counselling, cultural programming, addictions treatment and leadership development services. [Community anti-human trafficking service providers | ontario.ca](#)

Behavioural Supports Ontario – This site will provide you and your loved ones with information about behaviour change in older adults due to dementia, mental health or neurological conditions. Public health resources, practical tips, wellness strategies, family care partner resources and more. <https://brainxchange.ca/Public/Resource-Centre-Topics-A-to-Z/COVID-19.aspx>

Bounce Back – A free skill-building program managed by the Ontario Canadian Mental Health Association (CMHA). It is designed to help adults and youth 15+ manage low mood, mild to moderate depression and anxiety, stress or worry. Delivered over the phone with a coach and through online videos, you will get access to tools that will support you on your path to mental wellness. <https://bouncebackontario.ca/>

Breaking Free Ontario – A free engaging, interactive and highly personalized digital recovery support program for substance dependence for Ontarians aged 16+. Accessible 24/7 on any device, the program gives patients a powerful toolkit of psychoeducation, practical resources and positive coping skills to support their long-term recovery. <https://www.breakingfreeonline.ca/>

Canadian Mental Health Association (CMHA) – Local offices in most cities that provide a variety of mental health services. <https://ontario.cmha.ca/>

Centre for Addictions and Mental Health – Offers a variety of Indigenous mental health services www.camh.ca

ConnexOntario – Accurate and comprehensive list for mental health and addictions service availability with 24/7 mental health and addictions system navigation and information. 1-866-531-2600 or <https://www.connexontario.ca/information-services>

Community Health Centres (CHC) - Provides primary health and health promotion programs for individuals, families and communities; some Indigenous focused centres include Anishnawbe Health Toronto and Misiway Milopemahtesewin CHC in Timmins.

<http://www.health.gov.on.ca/en/common/system/services/chc/locations.aspx>
