

**STATEMENT OF WORKING RELATIONSHIP
BETWEEN THE MISSISSAUGA FIRST NATION
AND CAMECO CORPORATION
JULY 17TH, 2010**

WHEREAS the Mississauga First Nation and the Cameco Corporation share a common interest in furthering a cooperative and respectful working relationship; and

WHEREAS the Mississauga First Nation and the Cameco Corporation believe that a further cooperative and respectful working relationship is built on effective communication and trust; and

WHEREAS the Mississauga First Nation and the Cameco Corporation share the view that collaborative action in areas such as socio-economic development projects related to youth, education, health and wellness, and community development benefit both parties and contribute to the social sustainability, health and well being of all; and

WHEREAS the Chief of the Mississauga First Nation and the General Manager of Cameco Corporation have collaborative meetings between the two parties;

NOW THEREFORE the Chief of the Mississauga First Nation and the General Manager of Cameco Corporation hereby declare their mutual intention to pursue a renewed and lasting relationship based upon mutual respect and honour; and

IN FURTHERANCE OF this mutual intention, the following commitments are hereby undertaken:

1. At least twice each year, the Chief of the Mississauga First Nation and the General Manager of Cameco Corporation, shall hold a meeting to discuss their collaborative action on matters of mutual concern and to further review such matters.
2. To ensure continuity between the aforesaid meetings, the respective leadership and administrations of the Mississauga First Nation and the Cameco Corporation shall be directed to undertake such tasks, or perform such duties, as are required to fulfill any mutual decisions reached at the said meetings by the Chief of the Mississauga First Nation and the General Manager of Cameco Corporation, and to facilitate the ongoing agenda and goals.

SIGNED ON BEHALF OF:
